I express my gratitude to Amit Prakash for helping me find a breakthrough that helped me to find a way to achieve my goal.

I had been struggling with a specific challenge for some time, feeling stuck and unfulfilled. I knew I wanted to make a change, but I didn't know where to start.

Amit helped me to clarify situation by asking questions and then to develop a plan to achieve my goals. He also provided me with the support and accountability I needed to stay on track.

One of the most valuable things I learned from Amit was how to identify and overcome limiting beliefs. He helped me to see myself and my potential in a new light.

I highly recommend Amit Prakash to anyone who is looking for a high-potential coach.

Before I started working with Coach Amit Prakash, I was constantly feeling overwhelmed and stressed. I had too much on my plate, and I never seemed to have enough time to get everything done. I was also struggling to prioritize my tasks and set boundaries.

Coach Amit helped me to develop a personalized time management plan that worked for me. He taught me how to prioritize my tasks, set realistic goals, and manage my distractions. He also helped me to learn how to say no to commitments that weren't aligned with my priorities.

As a result of working with Coach Amit and my commitment to execution, I have significantly improved my time management skills. I am now able to get more done in less time, and I feel more in control of my schedule. I am also less stressed and overwhelmed.

It's been a pleasure to be able to attend this course organized by Amit because we have actually learned a lot more about Service. It was insightful about the details and how we can use these skills in our day to day work to create a Memorable Customer Experience.

So regardless of what positions we are in now, I believe from the lower rank to all the way to the higher rank, it still applies throughout our career. Yeah, so thank you, Amit. Pleasure to be here. Thank you.

I've had the privilege to work with Amit for two Asia Professional Speakers Conventions in 2019 and 2020, and he is all class. In 2020, he was responsible for delegate communication and he did a brilliant job. Really brilliant and he received high praise for it too – which was very well deserved. Amit is a humble man, but he is a passionate and caring one too. He cares for the world, is passionate to transform his clients into customer-serving businesses,

I couldn't recommend someone more highly. He lives and breathes what he teaches in how he conducts himself and I'm happy to call him a friend. You're awesome Amit.

Hello! My name is Melvin. I'm from NHST Group Asia, and we just completed our Sales Negotiation coaching. It has been a wonderful time. It was a short yet fun duration. We got to do activities, and we learnt theories. I think Amit is a very knowledgeable individual, and we're looking forward to having him in NHST Global again on various aspects of the Sales Techniques. So thank you very much!
